ABOUT SADU

Sadu was founded in 2014 by Al Qaderi Group.

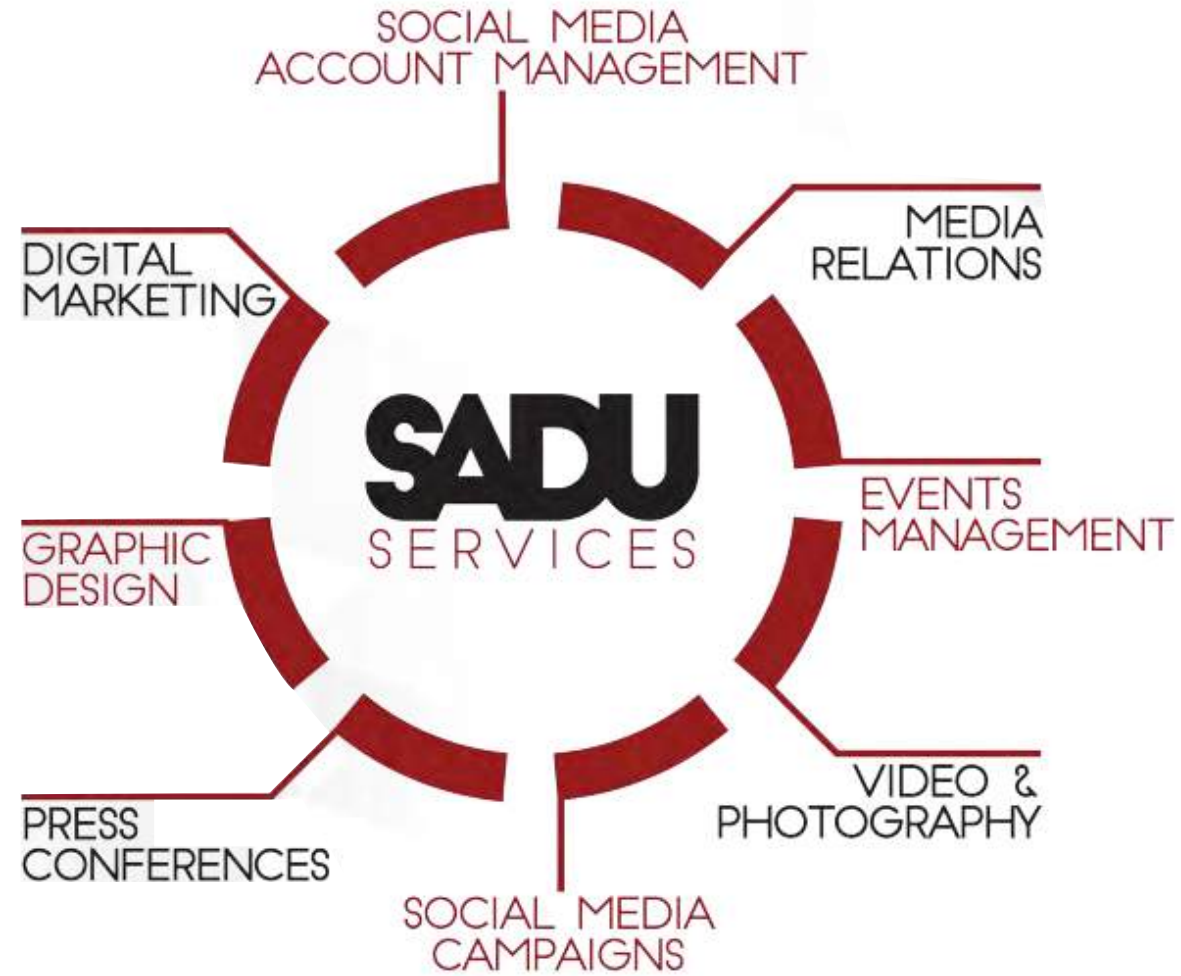

Sadu is a top full service communications agency specializing in connecting our client's mission, leadership, stakeholders to their target audience(s). We manage the tasks, projects and processes that help organizations communicate, sell, position or differentiate themselves in their markets.

We offer a creative approach in connecting our clients to the local market as well as the expat community. Our work is specifically created to help our partners achieve and maintain highest brand equity.

We develop, design, produce and manage live meetings, press conferences, special events and social media campaigns designed to help our clients make their message live. Our process model has been developed and refined over the last few years and has been applied to tasks that have touched millions of people.
